

Northern Steel Ltd. is a Prince George, B.C. based steel manufacturing company and recognized leading supplier of custom fabricated steel products and machined components serving the Oil and Gas, Mining, Pulp and Paper, Chemical and Energy sectors primarily in Western Canada.

We are seeking immediately:

Experienced JM Fabricators and Welders

We are a unionized shop with a full benefit package, competitive rates and pension plan. All work is in our Prince George shop no travel required.

- Experience in a fabricating/welding environment (5 years preferred)
- Ability to interpret fabrication drawings
- Effective English reading and communication
- Detail oriented, dedicated and reliable
- Works well both independently and as part of a team
- A great, positive attitude and optimism in work and life
- Subarc experience considered an asset.

Fabricators to start Mid March 2023

Welders to start Late March 2023

Please submit resume along with three professional references to hr@northernsteelltd.com.
